

Purchasing Card Responsibilities and Agreement

Employees, Supervisors, and Cost Center Managers have a responsibility to ensure that University systems, procedures, and processes are being used appropriately. Cardholders are financially responsible for proper use of the Purchasing Card (PCard) and for submitting documentation in Workday on time. Misuse of the Purchasing Card is a serious offense which may lead to disciplinary action including but not limited to termination. For details, view the [Purchasing Cardholder User's Guide](#).

The applicant must email this document to [Corporate Card Services](#) before proceeding with the application process. In the email title field, type "I accept the Purchasing Card responsibilities."

Cardholder responsibilities include but are not limited to:

- **UM Policy Updates** - Cardholders are responsible for understanding and are advised to periodically review the *Purchase Card (PCard) Guidelines* [policy](#).
- **Misuse** – I understand, as outlined in the [Purchasing Card Program Cardholder User's Guide](#), misuse may result in cancellation, and result in disciplinary action, up to and including termination of my employment.
- **Privacy:**
 - **Sharing** - Employees must not share the card or card number with other employees.
 - **Lost, Stolen, Fraud** - I will promptly notify the University of Miami Corporate Card Services upon discovering the Travel Card has been lost, misused, or stolen or has been subject to fraud, unauthorized use, or misuse. I agree to cooperate with any investigation and requests concerning the loss, theft, or suspected misuse of the Travel Card. It is my responsibility to notify the issuing bank of any potential fraud and follow up until the issue is resolved. If I have followed up and the issuing bank recharges, I will be personally liable and will immediately repay the University of Miami.
 - **Verifying Transactions** - I understand and agree that University of Miami may review and investigate use of the Purchasing Card and I have no expectation of privacy concerning any charges incurred. I will cooperate with any such review or investigation, because, the Purchasing Card is a business card, all information related to me and/or my Account (including, without limitation, account and application information, purchase and payment activity, and balance and status information) may be shared by the Purchasing Card's issuing bank with the University of Miami and third parties, when deemed necessary for purposes of reviewing, maintaining or collecting my Purchasing Card account.

Purchasing Card Responsibilities and Agreement

- **Personal Charges:** I understand and agree that I will be held personally liable for the total dollar amount of any improper or unauthorized charges in connection with my misuse of the Purchasing Card, as outlined in this Agreement and the User's Guide, or as may otherwise be prohibited or restricted by the University of Miami. Should misuse occur, contact pcard.ap@miami.edu. I agree that I am responsible for remitting payment for any, and all unapproved charges resulting from my personal, unauthorized, or illegal charges on the Purchasing Card. I agree that any unpaid personal, unauthorized, or illegal charges made by me, and paid by University of Miami on my behalf, will be considered a personal loan to be repaid through a payroll deduction if not paid to the Cashier's Office within ninety (90) days of the statement date. Payroll deductions associated with my loan will be subject to the limits set forth by applicable law. If such deductions are not permitted by law or are insufficient to fully reimburse the University of Miami, I will nevertheless repay the University of Miami these amounts, regardless of my employment status with University of Miami. If University of Miami is required to take legal action to collect any monies owed under this Agreement, I agree that the prevailing party in such legal action will be entitled to recover its attorney's fees and costs.
- **Verifying Transactions** - I understand transactions that have not been verified, and fully approved in Workday after sixty (60) days will result in card suspension. Reinstatement of the Purchasing Card will require approval by the cardholder's Supervisor or Cost Center Manager. The transactions will be verified and submitted in Workday and supported by appropriate documentation as required. The University of Miami will pay all charges in connection with the Purchasing Card directly to the issuing bank.
 - **Personal Loan** - If I fail to timely verify transaction accurately and completely with proper supporting documentation, University of Miami will consider the unsupported charges to be a personal loan and may collect those amounts from me as described herein.
 - **60 Days** - If I fail to completely verify my transaction within sixty (60) days after the issuing bank's transaction posted date, as required above, my Purchasing Card will be suspended/deactivated until such charges have been reconciled and approved, in addition to any other rights the University of Miami may have. Reinstatement of my Purchasing Card will require approval by my Supervisor or Cost Center Manager.
 - **90 Days** - If I have failed to reconcile my Purchasing Card within ninety (90) days after the issuing bank's transaction posted date, I understand that the University of Miami will consider all unsupported charges to be a personal loan and may begin payroll deductions for those amounts as described herein and in accordance with applicable law. This may be considered a benefit and therefore taxable.
 - **120+ Days** - Failing to reconcile the Purchasing Card within one hundred twenty (120) days, may result in card cancellation. Reinstatement will not be allowed.
 - **Good Standing** - The Cost Center and Department must have all cardholder's accounts in good standing. If there are transactions over 61 days old and card(s) are suspended the request for a new card(s) will be denied until the account(s) are current.

Purchasing Card Responsibilities and Agreement

- **Card Termination** - I understand that the University of Miami may terminate my right to use the Purchasing Card at any time for any reason. I also agree to stop using the Purchasing Card upon request of the University of Miami or the procurement card's issuing bank, or immediately if I am no longer employed by the University of Miami (including, if I retire). I also recognize that the University of Miami reserves the right to cancel my Purchasing Card with the issuing bank or if I fail to fulfill my obligations under the agreement. I will shred the Purchasing Card upon notifying Corporate Card Services of my resignation, retirement, or termination, or upon request by University of Miami.
- **Cardholder Cancellations** - I understand that this Agreement is revocable by me at any time upon written notice delivered to the University of Miami Corporate Card Services. If revoked, I must immediately stop using the Purchasing Card and shred upon notifying Corporate Card Services of my revocation notice. I understand that if revoked, I remain responsible for any unreconciled charges, misuse, and remain indebted to the University of Miami for any personal, illegal, or unauthorized charges made prior to the revocation.
- **Compliance** - When applying for a Purchasing Card the requestor must agree to comply 100% with all University Corporate Card rules, regulations, and policies. The cardholder's first year will be considered a probationary period. Should the card be misused at any time, the cardholder could potentially face disciplinary action, intervention by Human Resources and card cancellation.
- **Governing Laws** - I understand this Agreement will be governed by the laws of the State of Florida, without regard to its conflicts of law provisions. Any claims arising hereunder shall be brought in a court of competent jurisdiction in Miami-Dade County, Florida.

A Purchasing Card will only be issued after all the following requirements have been met:

- If the department has 5 or more existing cards, provide a written justification in the following field.
- The applicant must receive a 100% passing score on the *Purchasing Card (PCard) Training* in [ULearn](#).
- The applicant must provide a completed *Purchasing Card Responsibilities and Agreement* form, including the Cost Center number.

Should the applicant request not meet the previous criteria, provide a summary below:

Purchasing Card Responsibilities and Agreement

By signing below, I agree and accept responsibility for the protection and proper use of the Purchasing Card as outlined in this Agreement and the [Purchasing Cardholder User's Guide](#). I agree that use of the Purchasing Card is limited solely to business purposes.
